

Waltersberg

This is a topographic map of the Waltersberg area. The map features brown contour lines indicating elevation. A grey rectangular box with the text 'Waltersberg' is located on the left side. To the right, a green-shaded area is marked with several green plus signs. Below this green area is a region with dense green diagonal hatching, partially enclosed by a red line. In the bottom right corner, a blue line with black diamond markers runs diagonally. A red line also runs along the right edge of the map. Cyan horizontal bars are visible at the top and right edges.
