The drawing shows the floor plan of the SPORTHALLE. The main hall area is a large rectangle with a width of 31.50 and a length of 50.00. The width is divided into 12 equal sections, each 2.625 wide. The length is divided into 12 equal sections, each 4.167 long. The drawing also shows a cross-section view of the hall, with a width of 31.50 and a height of 50.00. The cross-section shows a central area labeled 'Lüftungsanlagen' (ventilation systems) and 'HLS Fläche' (heating/cooling surface). The side walls are labeled 'Treppe' (staircase). The drawing includes dimensions for the floor area, the height of the hall, and the width of the side walls.

The floor plan shows a complex layout of a spa facility. Key areas include:

- Entrance and Reception:** Located at the top left, featuring a 'Server/EDV-Z' and 'Technikschacht'.
- Spa Core:** Includes a large 'Sauna' area with multiple rooms, a 'Wartebereich', and a 'Flur' (corridor).
- Swimming Pool Area:** Features a 'FR Schwimmbad' (indoor pool) and a 'Werkstatt' (workshop).
- Relaxation and Treatment:** Includes a 'Lager 2. Ebene' (storage), 'Lernbereich' (learning area), and 'Werkstatt Isolier-Berufe' (workshop for insulation professions).
- Technical and Service Areas:** Includes a 'Technikschacht' (technical shaft), 'Werkstatt' (workshop), and 'Lernbereich' (learning area).

The plan is detailed with room numbers, names, and technical specifications. It also includes a scale bar and a north arrow.
